TABLE OF CONTENTS

ACKNOWLEDGEMENTS	i
PREFACE	iii
TABLE OF CONTENTS	vii
LIST OF TABLES	xvi
LIST OF FIGURES	xviii
LIST OF PLATES	xxi
1 CULTURE CONTACT, DEMOGRAPHY AND HEALTH AMONG THE ABORIGINAL PEOPLES OF BRITISH COLUMBIA	1
<i>Steven Acheson</i>	
Introduction	1
The Aboriginal Peoples of British Columbia:	
Settlement and Social Organization	1
Northwest Coast Peoples	4
Northern Athapaskan Peoples	6
Interior Plateau Peoples	8
Palaeopathologies: Diseases of the	
Pre-contract and Early Contact Periods	9
Demographic History	10
Contact and Contagions: 'The Spirit of the Pestilence'	11
Shamanism and Traditional Medicinal Practices	18
Contact and Cults	26
Contact, Contagions and Change	27
Conclusion	28
Glossary	29
Acknowledgements	30
References	31

2	NATIVE HEALTH IN BRITISH COLUMBIA: A VITAL STATISTICS PERSPECTIVE	43
	<i>L.T. Foster, J. Macdonald, T.A. Tuk, S.H. Uh and D. Talbot</i>	
	Introduction	43
	Measuring Native Indian Health Status	44
	Historical Statistics on B.C. Native Health	45
	Health Indicators for Status Indians in B.C. 1987-1992	51
	Birth-Related Stastical/Health Indicators	54
	Maternal Age and Parity	57
	Infant Birth Weight and Prematurity	58
	Congenital Anomalies	61
	Maternal Complications	62
	Perinatal Conditions	64
	Mode of Delivery	65
	Infant Mortality	67
	Early Neonatal Mortality	67
	Neonatal Mortality	69
	Post Neonatal Mortality	69
	Sudden Infant Death Syndrome (SIDS)	70
	Perinatal Mortality	71
	General Mortality	71
	Age-specific Death Rates	72
	Major Causes of Death	73
	Age Standardized Mortality Rates (ASMR) and Potential Years of Life Lost Standard Rates (PYLLSR)	75
	External Causes of Death	78
	Deaths from Digestive System Diseases	81
	Deaths from Neoplasms	82
	Deaths from Circulatory System Diseases	84
	Deaths from Respiratory Diseases	85
	Deaths from Infectious and Parasitic Diseases	86
	Deaths from Endocrine/Metabolic Diseases	88
	Summary	90
	References	91

3	MIND-BODY-PLACE: A GEOGRAPHY OF ABORIGINAL HEALTH IN BRITISH COLUMBIA	95
	<i>Susan J. Elliott and Leslie T. Foster</i>	
	Introduction	95
	A Geography of Aboriginal Peoples	97
	A Geography of Aboriginal Health	105
	A Geography of Aboriginal Health Care	112
	Mind-Body-Place	123
	Acknowledgements	124
	References	124
4	CHANGING TRADITIONAL DIET AND NUTRITION IN ABORIGINAL PEOPLES OF COASTAL BRITISH COLUMBIA	129
	<i>Jennifer Hopkinson, Peter H. Stephenson, and Nancy J. Turner</i>	
	Introduction	130
	The Pre-Contact Diet of Indigenous Peoples in British Columbia .	131
	Archaeological Evidence of Protein in the Diet of Northwest Coast Aboriginal People	131
	Ethnographic Evidence and Traditional Diets in British Columbia	133
	Northwest Coast Environment	134
	Sea Foods	138
	Terrestrial Foods	139
	Plant Foods	140
	The Effects of Culture Contact	142
	Non-communicable Diseases in Northwest Coast Indigenous Populations	146
	The Feasibility for Partial Reinstatement of the Traditional Diet ...	147
	Conclusion	151
	Appendix I: Scientific Terms	153
	Appendix II: Medical Terms	156
	References	156

5	RESISTANCE KNOWLEDGES: THERAPY WITH ABORIGINAL PERSONS WHO HAVE EXPERIENCED VIOLENCE	167
	<i>Allan Wade</i>	
	Introduction	167
	Resistance to Violence and Oppression	169
	Fran's Story	169
	The Operations and Consequences of Residential Schools	171
	Deficiency, Resistance and Therapeutic Discourse	174
	Nora's Story	178
	Therapeutic Interviewing	181
	Naming Violence and Oppression	183
	Mapping the Effects of Violence or Oppression	184
	Eliciting Accounts of Resistance	185
	Re-Authoring and the Performance of Meaning	187
	Therapy and the Suppression of Resistance to Colonial Oppression	188
	Colonization and Psychotherapy	190
	Annette's Story	196
	Conclusion	201
	Acknowledgement	202
	References	202
6	ABORIGINAL SUICIDE RATES: INDICATORS OF NEEDY COMMUNITIES	207
	<i>Mary Cooper</i>	
	Introduction	207
	Are Aboriginal Suicide Statistics in British Columbia Valid?	208
	How High are Aboriginal Suicide Rates? Who is Most at Risk?	209
	Do Areas With Differing Aboriginal Suicide Rates Have Different Population Characteristics?	211
	Why, When, Where and How Did Aboriginal Suicides Occur?	216

What Do Aboriginals Suggest Will Reduce Suicidal Behaviour? ...	219
Conclusion	220
Acknowledgements	221
References	221
7 ABORIGINAL MIDWIFERY IN BRITISH COLUMBIA: A NARRATIVE UNTOLD	223
<i>Celina Benoit and Dena Carroll</i>	
Introduction	223
Three Narratives on Midwifery	227
1. The Medical View	227
2. The Feminist View	229
3. The Aboriginal View	230
Pre-Contact Period	231
The Colonial Takeover	236
Cultural Revival of Aboriginal Midwifery	240
Acknowledgement	243
References	243
8 EPIDEMIOLOGY OF CANCER IN FIRST NATIONS PEOPLE IN BRITISH COLUMBIA	249
<i>T.G. Hislop and Pierre R. Band</i>	
Population of First Nations People in British Columbia	249
Epidemiology of Cancer in First Nations People	251
Screening Practices in First Nations Women	252
Cervical Cytology Screening Program	252
Screening Mammography Program of British Columbia	255
Conclusions	258
Acknowledgements	258
References	259

9	DIABETES AND ABORIGINAL PEOPLES: THE HAIDA GWAII DIABETES PROJECT IN A GLOBAL PERSPECTIVE	261
	<i>M. Clare Heffernan</i>	
	Introduction	261
	Glucose Metabolism	262
	Diabetes	262
	IDDM and NIDDM	263
	Global Prevalence	264
	Native American Prevalence	266
	Native Canadian Prevalence	267
	A Lifestyle Disease with a Genetic Predisposition	268
	Environmental Factors: Dietary Change, Weight, Age, Physical Activity and Stress	268
	Effects of Dietary Change	269
	Dietary Change among the Haida	270
	Weight	270
	Age	271
	Physical Activity	271
	Stress	272
	Natural History of NIDDM	273
	Complications	274
	The Haida Gwaii Diabetes Project	275
	Background	275
	The Project	276
	The Process	276
	The Use of Focus Group Discussions	276
	Biophysical Profile of NIDDM among the Haida	277
	Complications	277
	Focus Group Motifs	278
	Onset Experiences	278
	The Difficulty of Living with Diabetes	278
	Family Members	279
	Community Perspectives	279
	Views on Causation	280
	Traditional Beliefs about Disease	281
