

# Co-visioning our Practice

A Three-Part Experience of Clinical Supervision and Support

Join with Christopher and Cathy as we examine the idea of learning, mentorship and expansion through a process of co-visioning. Eschewing modernist notions of unearned power through hierarchy, we create a space for exploration and healing conversations. We come together across contexts, cultures, theoretical frameworks and social locations, with an emphasis on collaboration, allyship and solidarity.

**Sundays – August 9 & 23, 2026 and September 13, 2026. 9:00 AM PST/12:00 PM EST**

**Each session is three hours long!**

**Catherine Richardson Kineweskwê, PhD**
